We love you,
Mother.
We are sorry.

Let us pray
and fast to
make reparation
for the evil that
is permeating
our society.

Another statue of our Holy Mother Mary has been attacked. It was attacked at a parish in TN over the

weekend. We are asking that every Catholic pray and fast to make reparation for this sacrilege. Please pray and fast with us.

The "Throwback Corner" is where we will be including old written pieces, videos, podcasts, etc. on culturally relevant topics for discussion. Given where are culture currently is, we thought it fitting to include one of our older blog posts on "Forgiveness." Our world needs unity and forgiveness now more than ever. But we must realize that it is Unity and Forgiveness Himself only Who can heal and fix this broken culture. Together, let us reflect on content from the past as we look to build a better future through the power and grace of the Holy Spirit.

Saintly Inspiration

Saintly holiness IS possible! Together, let us seek holiness with the saints as our inspiration for doing so!

“All the honey that can be gathered from the flowers of this world has less sweetness than the gall and vinegar of the Lord Jesus.”
